Winston Cemetery
Aka Conyers-Winston Cemetery
1753 Long Mill Rd
Youngsville, North Carolina 27596

Located off Long Mill Rd about 0.8 mile north of Hwy 96, on the property of Long Mill Elementary School.

The cemetery is just north of the car parking, area and west of the bus parking area and the school building, inside a chain link fence.

Since the school was built, a chain link fence surrounds the whole cemetery area. Inside the new fence, there is an older wrought iron fence which has mostly Conyers graves.

There are more than 60 graves in this cemetery. Many graves just have fieldstones as markers. Many are sunken areas with no markers. Many of the unmarked graves are believed to be former slaves.
